Graduation

Course	B.Tech / B.E. (Information Technology)
College	Bharathidasan Engineering College , Tirupattur
Score	8.4%

Class XII

Board Name	Tamil Nadu
Medium	English
Year of Passing	2022
Percentage	77.33%

Class X

Board Name	Tamil Nadu
Medium	English
Year of Passing	2020
Percentage	95.6%

INTERNSHIPS

Test Yantra, January 2026 - April 2026

- Completed a 3-month internship at QSpiders, Bengaluru, focusing on Java Full Stack Testing. Gained hands-on experience in software testing methodologies, Java-based full stack development, and quality assurance practices.

Accent Techno Soft, June 2025 - July 2025

- Worked on developing a full stack web-based blogging platform during my internship at Accent Techno Soft. The project involved managing blog content, user accounts, and post updates with a user-friendly interface and efficient CRUD operations.

PROJECTS

AI-Driven Civic Complaint Management with Priority Modeling for Smart Municipal Governance, December 2025 - May 2026

- Built an AI-enabled web platform to modernize civic grievance redressal for smart municipal governance. Citizens can submit complaint The system auto-classifies complaints using BERT (NLP), analyzes images using ResNet (Computer Vision), and predicts urgency levels (High/Medium/Low) using XGBoost. Features include automated department routing, escalation management, and real-time admin dashboards

FULL STACK CONTENT MANAGEMENT SYSTEM (CMS) FOR BLOGGING PLATFORM, June 2025 - July 2025

- Developed a full stack web-based blogging platform during internship at Accent Techno Soft. The system enables users to create, read, update, and delete blog posts with a clean and user-friendly interface. Implemented user account management, content moderation, and post scheduling features. Built responsive frontend with efficient backend integration ensuring seamless CRUD operations and smooth user experience.
